

COMPASSION BRIDGE INITIATIVE UGANDA (CBIU)

Organisation Profile

Motto: Restoring Dignity. Building Futures.

Organizational Information

Community-Based Organization based in Kamuli District, Uganda, committed to education, livelihoods, health promotion, disability inclusion and community transformation.

Background

CBIU was founded in response to the needs of vulnerable children, youth, widows, persons with disabilities and underserved families. It transforms compassion into practical action.

Vision

A compassionate and empowered society where every person can thrive with dignity.

Mission

To build bridges from vulnerability to opportunity through education, vocational empowerment, compassionate care, health promotion, disaster response and community transformation.

Core Values

Compassion, Human Dignity, Integrity, Accountability, Stewardship, Inclusion, Community Ownership and Service.

Programme Areas

Education; Vocational Skills; Family & Community Support; Disability Inclusion; Health & Community Resilience; Disaster Response.

Governance

General Assembly, Board of Directors and Executive Secretariat.

Partnership

Government, NGOs, educational institutions, faith communities, development partners, corporate partners and individual supporters.

Conclusion

CBIU exists to restore dignity and build futures by empowering vulnerable communities through sustainable, compassionate development.
